

# Medi-Waste Disposal vs. The Competition

How We Stack Up Against National Medical Waste Disposal Companies

National Medical Waste Companies

More Details...

Guaranteed Lowest Price With No Hidden Charges		<b>NO</b>	Their prices are <b>10%-25% higher</b> for the same services and that's not counting fuel surcharges and other hidden fees. <b>We guarantee the lowest price</b> , with no hidden charges.
No Price Increases for the Term of Agreement		<b>NO</b>	They raise their prices every year by as much as 18% per year, every year. We guarantee in writing we won't raise your prices during the term of our agreement.
Flexible Pickup Schedules		<b>NO</b>	We don't make you work around our schedule like the National Waste Disposal Companies. We have <b>flexible pickup schedules</b> that meet your needs, not ours.
Immediate Response		<b>NO</b>	Their national call center usually can't help you right away. We provide an <b>immediate response</b> from one of our local customer service reps and a solution within 24 hours of your request.
On-Time Service or Your Pickup is Free		<b>NO</b>	If we fail to service your medical facility on your regularly-scheduled day, your pickup is <b>FREE!</b>
30 Day Agreement Cancellation Clause		<b>NO</b>	We don't think you should hold clients to a contract if they're not happy with your service. That's why all our agreements include a <b>30-day cancellation clause</b> .
Green Waste Disposal		<b>NO</b>	We are the only provider in the state with <b>Green Waste Disposal</b> equipment that shreds the waste at the end of the process. This extra step <b>reduces landfill by 75%-80%</b> .
Medical Supplies On Hand In Smaller Quantities		<b>NO</b>	They require that you purchase case-load quantities. We let you "break a case" for smaller quantities and our drivers also have many of the most popular items available on our trucks.
Shredding Services And Combo Pricing		<b>NO</b>	We offer AAA NAID Certified on-site shredding (the highest security available) at a <b>"combo price"</b> that can <b>save</b> our clients as much as <b>50% on document destruction</b> .
